

The OneStory Partnership Seminar in Orality, Storying and Storycrafting

Venue: International Linguistics Center (ILC), Dallas USA

Host: SIL International (Intl Coordinator Section for Orality & Storying)

Dates: 6-14 July 2010 (sessions 8:30a-4:30p, 6-9 July and 12-14 July)

This seminar is appropriate for:

- * Cross cultural workers involved in a people group or language group work, and who are considering engaging a storying project along the lines of a OneStory approach.
- * Staff of various agencies or churches who desire to gain familiarity with storying and orality as it is done through the OneStory approach.

This training is **entirely oral** and **participatory**. No texts, handouts or lectures.

This training models and practices:

- * Orally learning and telling a story in fellowship group, helping others to orally learn the story, and leading spiritual application discussion of the story.
- * Processing of a worldview-sensitive, redemptive panorama in fellowship group, and discussion of issues of orality and storying arising from that processing.
- * Crafting a storying in your mother-tongue and taking it through the testing, documentation, and revision processes to where it would be ready to use in evangelism, discipleship or church planting.
- * A demonstration of the same process working in a cross-language situation.

As a result of this training, participants will be prepared to engage in the beginning stages of a storying project with an unreached or an under-reached people group or a Bibleless language group. During the seminar, participants may explore possible involvement in subsequent training sessions and consultations by OneStory partners to support a storying project.

A registration fee of \$125 will be charged (\$50 at the time of registration, and the remainder on the first day of the seminar). **Deadline for registration is June 7.** Late registration may be available for an additional \$50 fee. Lodging and weekday noon and evening meals will be available at the ILC for an additional fee.
